

Wire 2020

## Austrian Wire and Cable Machinery Manufacturers' Association (VOEDKM) at Wire 2020 in Duesseldorf :

**Achieving greater awareness of its market leading high-tech products and Austrian engineering in the international wire and cable industry are central to the global aims of the AWCMA/VOEDKM industry association.**

The AWCMA/VOEDKM (Austrian Wire and Cable Machinery Manufacturers' Association) has been founded by Dr. Eder in 1988 and stands for wire and cable production machines and technology made in Austria. 20 specialist companies are available to provide ideal technical solutions for the wire and cable production worldwide. The exceptionally high standard and technical leadership of the Association's members in the fields of technology and engineering are recognised worldwide and as a result, **VÖDKM/AWCMA members** have become preferred partners of the international wire and cable industry.

**As a tradition already, splendid Austrian hospitality of its best will be offered to all AWCMA members and their visiting guests and our friends in the special “Café Vienna”, located within the Austrian Pavilion, particularly during the “Austrian evening” on Wednesday 1st April 2020 at 5pm.**

*All Austrian Specialist companies – be them exhibiting within the Austrian Pavilion or on individual Stands in other halls– will be at full disposal to all visitors at WIRE 2020.*

***17 Austrian AWCMA specialist firms are available to apply state-of-the-art technology to the solution of any wire and cable production problems and will display their products at the subsequently mentioned stands within the **Austrian Pavilion in Hall 10** and on individual stands in halls 9, 15 and 16.***
